DEFENDANTS

AGREED ORDER CONSENTING TO FORFEITURE

James A. Knauer ("Eastern Trustee"), chapter 11 trustee for the estate of Eastern Livestock Co., LLC ("Eastern"), debtor in a chapter 11 bankruptcy case pending in the United States Bankruptcy Court for the Southern District of Indiana ("Bankruptcy Court"), Case No. 10-90304 ("Eastern Case"), by counsel, Terry E. Hall, The United States, by counsel, Amy M. Sullivan, Assistant United States Attorney, Kathy Pry ("Gibson Trustee"), chapter 7 trustee for the estates of Thomas P. Gibson and Patsy Gibson ("Gibsons"), debtors in a chapter 7 case pending in the Bankruptcy Court, Case No. 10-93867 ("Gibson Case"), by counsel, Deborah Caruso, The First Bank & Trust ("First Bank"), by counsel, Dan Donnellon, and Your Community Bank ("YCB"), by counsel, Michael Oyler, jointly file this Agreed Order Allowing Forfeiture for approval of this Court with respect to this forfeiture complaint ("Complaint") and in support state:

1. On December 1, 2010 ("Gibson Petition Date"), the Gibsons filed the Gibson Case in the Bankruptcy Court. The Gibson Trustee was appointed in the Gibson Case and continues in that capacity.

2. On December 6, 2010 (“Eastern Petition Date”), certain petitioning creditors filed an involuntary chapter 11 bankruptcy case against Eastern. The Court entered an order for relief on December 27, 2010. The Eastern Trustee was appointed on December 26, 2010 and began his duties on December 27, 2010. Thomas P. Gibson was the chief executive officer and majority owner of Eastern.

3. Fifth Third is the senior secured lender to Eastern and asserts first and prior liens in and to all the assets of Eastern. Fifth Third has an allowed claim in the Eastern Case in the amount of \$35,833,415.00.

4. First Bank is the secured lender to Thomas Gibson and asserts first and prior liens in and to certain cattle and their proceeds owned by Thomas Gibson. First Bank filed a claim in the Gibson Case in the estimated amount of \$8,111,669.40 asserting that the claim was secured by, among other things, cattle and the proceeds of cattle owned by Thomas Gibson. The claims of First Bank asserted against the Eastern estate and the Gibson estate have been settled.

5. YCB is a bank in New Albany, Indiana. The Gibsons maintained a checking account at YCB, account no. XXXXX1841 (“YCB Gibson Account”). J&L Cattle Co. also had an account at YCB, account no. XXXXX4113 (“J&L Account”).

6. Thomas P. Gibson also maintained an account at MF Global Inc. in Chicago, Illinois, account no. XXXXX6149 in names of Thomas P. Gibson and Eastern (“MFG Account”).

7. On January 14, 2011, the Bankruptcy Court issued an order in the Gibson Case ordering the Gibsons to turn over to the Gibson Trustee all “cash, securities, funds in bank/credit union accounts, all investment accounts, any investment accounts and other non-exempt

financial accounts within ten days.” This order included the YCB Gibson Account, the J&L Account, and the MFG Account.

8. On or about December 3, 2010, the Bankruptcy Noticing Center served notice of the Gibson Case on YCB.

9. In January of 2011, Judge James D. Moyer, United States Magistrate Judge for the Western District of Kentucky, signed seizure warrants for the contents of the YCB Gibson Account, the J&L Account, and the MFG Account, finding probable cause that these accounts contained proceeds from a wire fraud scheme perpetrated by Thomas Gibson and others. On January 19 and 20, of 2011, Special Agent Mark Hamrock of the Federal Bureau of Investigation, seized the contents of these accounts. The contents of these accounts total \$4,825,548.30 and represent the defendant property in this action (“Seized Funds”).

10. The United States filed the Verified Complaint for Forfeiture *In Rem* against the YCB Gibson Account, the J&L Account, and the MFG Account (“Complaint”) on April 18, 2011. The United States sent direct notice of this forfeiture action in May of 2011, and published the forfeiture action, in accordance with the law. Pursuant to a series of agreed orders, the proceedings in this case have been stayed, including the deadline for filing an ownership claim to the Seized Funds, but no parties other than the Eastern Trustee, Fifth Third, the Gibson Trustee, First Bank, and YCB have preserved a right to assert an ownership claim against the Seized Funds. On December 21, 2015, Fifth Third filed a Notice of Disclaimer of Interest, therein disclaiming any and all interest Fifth Third may have in the funds subject to forfeiture.

11. Each of the Eastern Trustee, the Gibson Trustee, and First Bank believe that it has a viable ownership claim to all or some of the Seized Funds and such ownership claims have been preserved by the agreed entries extending the deadline to file an ownership claim. The

Eastern Trustee believes that the Seized Funds originated from the accounts of Eastern held at Fifth Third and were directed to the MFG Account, the J&L Cattle Account, and the YCB Gibson Account by Thomas P. Gibson for no consideration and therefore are property of the Eastern bankruptcy estate. The Gibson Trustee believes that the Seized Funds were in accounts in the name of one or more of the Gibsons and therefore are property of the Gibson bankruptcy estate. First Bank believes that some of the funds in the YCB Gibson Account may be proceeds of the sale of cattle in which First Bank holds a lien. YCB may assert a claim to the Seized Funds.

12. The creditors of each of the Eastern estate and the Gibson estate have been identified by the filing of proofs of claim in the respective bankruptcy cases. The listing of the proofs of claims filed in the Eastern and Gibson estates (“Estates Claims Listing”) have been furnished to the US Attorney and utilized to arrive at a list containing victims that will be compensated pursuant to the settlement and distribution protocol set forth in this Agreed Order (“Victims List”). The Victims List is attached as Exhibit 1 to this Agreed Order. The United States, the Eastern Trustee and the Gibson Trustee have coordinated and thoroughly reviewed the attached Victims List and claim amounts, the proofs of claim, and the payments made on the claims that reduce the amount of the claims on the Victims List. To the best of their knowledge and belief, the United States, the Eastern Trustee and the Gibson Trustee agree that the Victims List is an accurate list of the claims of victims eligible for restitution, and agree to continue to share information related to any claim on the Victims List that remains in dispute as of this filing. For purposes of notice, the Victims List also identifies claims determined to be not eligible for restitution either because the claim does not comport with the definition of “victim” or the claim has been settled or waived in the bankruptcy cases.

13. The Bankruptcy Court entered an order confirming the Eastern Trustee's proposed plan of liquidation ("Plan") on December 17, 2012. The Plan, as confirmed, determines the distribution of the liquidated assets of the Eastern estate to its creditors according to the amounts of their claims as they are or will be finally allowed by the Bankruptcy Court.

14. The Gibson estate will distribute the liquidated assets of the Gibson estates to the creditors holding allowed claims according to the Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.* and as may be approved by the Court.

15. On or about September 21, 2011, Thomas P. Gibson and Steve McDonald, the former chief financial officer of Eastern, were indicted by the United States on charges of mail fraud in a case pending in the United States District Court for the Western District of Kentucky, Louisville Division, Case No. 3:11CR-123R ("Federal Indictment Case"). Plea agreements have now been entered in the Federal Indictment Case, and the defendants have been sentenced. The Federal Indictment Case includes an order of forfeiture of certain assets of the defendants and includes the defendant Seized Funds. The United States states in a pleading in the Federal Indictment Case that some 400 named persons were identified as potential victims of the fraud perpetrated by the defendants. The attached Victim's List has been shared with the Eastern Trustee and the Gibson Trustee, cross checked with the Estates Claim Listing to confirm that all claimants listed on the Estates Claim Listing are listed on the Victim's List, to the extent that the claimants are victims and entitled to distribution from the Seized Funds. It is understood that not all claimants listed on the Estates Claim Listing are also included on the Victim's List.

16. A grand jury convened by the Attorney General of Kentucky returned an indictment against Thomas P. Gibson and others in the Metcalf Circuit Court, on September 22, 2011 on charges of criminal syndication and theft by deception ("Kentucky Indictment Case").

Thomas P. Gibson and others entered into plea agreements on the Kentucky Indictments and restitution payments of approximately \$890,000 was made made to the persons named as alleged victims of the fraud in the Kentucky Indictment Case (“Restitution Payments”). The victims named in the Kentucky Indictment Case are listed on the Estates Claims Listing and identified as potential victims and as recipients of Restitution Payments. As of the date of this Agreed Order, the Restitution Payments have been made to the named victims in the Kentucky Indictment Case.

17. Under regulations promulgated and enforced by the Grain Inspectors Packers & Stockyards Administration of the United States Department of Agriculture, Eastern was required as a dealer in the business of buying and selling livestock, to maintain a bond in favor of its creditors (“Bond”). A Bond in the amount of \$865,000 was in place as of the date Eastern ceased business. Approximately, \$35 million in claims were filed against the Bond. The adjudication of those claims and payments from the Bond to the allowed claimants was completed under a complaint filed in the United States District Court for the Southern District of Indiana, New Albany Division, Case No. 10-93867 (“Bond Case”). The Eastern Trustee was named as the administrator of the Bond and prosecuted the determination of the claims asserted against the Bond in the Bond Case. Bond Payments made to Persons are indicated on Victims’ List.

18. The Eastern Trustee and the Gibson Trustee have similar interests in seeing that assets of the Eastern and Gibson estates are distributed to the unpaid creditors of the two estates in accord with their fiduciary duties under the Bankruptcy Code. The United States has an interest in seeing that the Seized Funds are distributed pro rata to the victims of the fraud perpetrated by Thomas P. Gibson. The Estates Claims Listing is inclusive of all the identified victims and identified creditors of the two bankruptcy estates. Compiling the Estates Claims

Listing began with the Eastern Trustee providing notice to approximately 2,000 persons and companies of the filing of the Eastern Case and the deadline to submit a claim. The notice recipients were identified using the books and records of Eastern to identify customers, vendors, and employees, the list of parties accumulated by GIPSA at the United States Department of Agriculture related to bond claims, the existing receivership complaint, and other sources. The creditors scheduled on the bankruptcy schedules in the Gibson Case have been notified of the bar date to file proofs of claims in the Gibson Case and the creditors who have filed proofs of claims have been added to the Estates Claims Listing. Newspaper and trade journal reports of the bankruptcy cases and the criminal indictments have been widely circulated. No new claimants have come forward in over a year. The Eastern Trustee, the Gibson Trustee and the United States have utilized due care and consideration in compiling the Estates Claims Listing and the attached Victims List. The Eastern Trustee, the Gibson Trustee and the United States also agree that the documentation provided by the creditors/victims in asserting their claims against the Eastern estate and the Gibson estate, unless contested or required by the Eastern estate, the Gibson estate, or the United States, shall be sufficient to state a claim.

19. The United States, the Eastern Trustee, the Gibson Trustee, First Bank, and YCB wish to avoid further costs and delay with respect to the distribution of the Seized Funds to the creditor/victims of the fraud underlying the Complaint. Therefore, for good and valuable consideration and in a cooperative agreement, the following is agreed to resolve this Complaint and facilitate the distribution of the Seized Funds:

- a. Two Hundred-Fifty Thousand Dollars (\$250,000) of the Seized Funds shall be released from the Complaint and remitted to the Eastern estate.
- b. The remainder of the Seized Funds (approximately \$4,575,548.30 plus any

interest earned on the total amount of the defendant property) shall be forfeited to the United States, pursuant to this Agreed Order (“Forfeited Funds”). The Forfeited Funds shall be held by the United States for the purpose of distribution to the victims of the fraud perpetrated by Thomas Gibson and others, as set forth in the Complaint and pursuant to this Agreed Order. The distribution shall be subject to the approval of the Attorney General of the United States and shall comport with applicable federal regulations.

- c. The United States, the Eastern Trustee and the Gibson Trustee will submit a joint report to the court identifying the victims of the fraud, as reflected on the attached Victim’s List, determining the extent of their losses, and propose entry of a restitution order based on this report. Following entry of a restitution order the United States shall submit a restoration request to the Attorney General seeking compensation on behalf of the victims from the forfeited funds.
- d. The federal regulations define a “victim” as an individual, partnership, corporation, joint business enterprise, estate, or other legal entity capable of owning property “who has incurred a pecuniary loss as a direct result of the commission of the offense underlying a forfeiture.” 28 C.F.R. § 9.2 (2012). A victim does not include one who acquires a right to sue the perpetrator of the criminal offense for any loss by assignment, subrogation, inheritance, or otherwise from the actual victim, unless that person has acquired an actual ownership interest in the forfeited property; provided, however, that if a

victim has received compensation from insurance or any other source with respect to a pecuniary loss, remission may be granted to the third party who provided the compensation, up to the amount of the victim's pecuniary loss as defined in [28 C.F.R.] § 9.8(c). *Id.* The parties to this Agreed Order agree that the Forfeited Funds shall not be distributed to any third party that has paid victims pursuant to a contractual obligation, assignment, other settlement or plea agreement. To receive a distribution from the Seized Funds, a victim must generally establish that (a) he or she suffered a pecuniary loss of a specific amount directly caused by the offense underlying the forfeiture or a related offense, and the loss is supported by documentary evidence including invoices and receipts; (b) the loss is the direct result of the illegal acts and not otherwise lawful acts committed in the course of a criminal offense; (c) the victim did not knowingly contribute to, participate in, benefit from, or act in a willfully blind manner toward the offense; (d) the victim has not been compensated for the loss; and (e) the victim does not have recourse reasonably available to other assets from which to obtain compensation for the loss. 28 C.F.R. § 9.8(b). A victim's pecuniary loss may not include interest foregone or collateral expenses such as investigative expenses or attorney fees. 28 C.F.R. § 9.8(c). Remission may be denied to a victim if: (a) there is substantial difficulty in calculating the pecuniary loss incurred by the victim; (b) the amount of remission, if granted, would be small compared with the amount of expenses incurred in determining whether to grant remission; or (c) the total number of victims is large and the monetary amount of the remission

so small, as to make its granting impractical. 28 C.F.R. § 9.8(e)(1), (2), and (3). If the total net losses of the victims exceed the amount of forfeited funds available, a pro rata share distribution will be made to each eligible victim. 28 C.F.R. § 9.8(f). Each victim's pro-rata share is calculated by dividing that victim's net loss (the amount paid or invested into the scheme less the amount of refunds or other compensation the victim received, if any) by the total net losses of all eligible victims.

- e. The parties agree that the Forfeited Funds (less any associated administrative expenses incurred by the United States) shall be disbursed to victims jointly identified. The Forfeited Funds will remain within the custody of the United States Marshals Service, until such time as the Department of Justice Asset Forfeiture and Money Laundering Section authorizes a transfer to the clerk of the court for partial satisfaction of the restitution order. Approval must be obtained from the Department of Justice Asset Forfeiture and Money Laundering Section before the Forfeited Funds may be disbursed.
- f. The amount of an eligible claim is subject to reduction by the payments received by the victim/creditor from other sources including, but not limited to, the Restitution Payments and the Bond. Any creditor/victim that is seeking recovery or payment on its claim outside of the bankruptcy cases of Eastern or Gibson shall not be eligible for payment from the Forfeited Funds until such effort at recovery has been finally resolved or withdrawn with prejudice.
- g. Each of the Eastern Trustee, the Gibson Trustee, First Bank, and YCB shall waive and release any ownership claims that could be asserted against the

Seized Funds.

- h. The Eastern Estate and the Gibson Estate waive and release any causes of action they may have related to a violation of the automatic stay under 11 U.S.C. § 362 in the seizure of the Seized Funds and shall not seek any turnover of the Seized Funds under 11 U.S.C. §§ 542 or 543.
- i. YCB shall not receive any direct payments from the Forfeited Funds.
However, the waiver of any distribution from the Forfeited Funds shall not affect the rights of YCB to receive payments on their allowed claims against the Eastern estate or the Gibson estate from other sources of payment.
- j. First Bank agrees that it will not assert any ownership or secured interest in the Forfeited Funds as a potential victim and further agrees that any victim payout from the Forfeited Funds shall not exceed \$700,000.
- k. The agreement among the parties to this Agreed Order is subject to the approval of the Bankruptcy Court in the Eastern Case and the Gibson Case.
Once such approval is obtained by an order of the Bankruptcy Court, the parties shall file a notice of the orders with this Court.

FINAL ORDER OF FORFEITURE

Based upon the agreement above and incorporating its terms fully herein, and the Court being otherwise sufficiently advised:

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

- 1. That the following property be forfeited to the United States of America and no right, title or interest in the property shall exist in any other party:

Contents of Account XXXX6149 in the name of Eastern Livestock and Thomas P. Gibson, held by MF Global Inc., 440 South Lasalle Street, 20th Floor, Chicago, IL (\$26,706.01);

2. That the Court finds that the above property is subject to forfeiture pursuant to 18 U.S.C. §§ 981(a)(1)(C), 1341, 1343, 1344, and 1349, and since no person or entity has filed a claim to this property, default judgment against all other persons is hereby entered;

3. That the United States Marshals Service, or any duly authorized law enforcement agency shall forthwith seize the forfeited property and dispose of it in accordance with the law and the terms of the agreement incorporated herein;
